We are pleased to inform you that your firm has been found eligible to continue its certification as a Disadvantaged Business Enterprise (DBE) with the Metropolitan Washington Unified Certification Program (MWUCP), effective **September 27, 2017**. MWUCP participants include the Washington Metropolitan Area Transit Authority (WMATA) and the District of Columbia Department of Transportation (DDOT). **Your firm is subject to the requirements of the Disadvantaged Business Enterprise regulations, Title 49, Code of Federal Regulations, Part 26, as amended and all laws of this jurisdiction applicable to the transaction of business.** You are currently certified in the following North American Industry Classification System (NAICS) Code(s):

<u>NAICS CODE</u>	<u>DESCRIPTION</u>
541330	Engineering Services
541360	Geophysical Surveying and Mapping Services
541370	Surveying and Mapping (except Geophysical) Services
541620	Environmental Consulting Services
541990	All Other Professional Scientific and Technical Services

If you wish to add to the list of your currently approved NAICS Codes, you must make such request in writing with supporting documentation to the MWUCP participant from which the original certification was received.

If a change in the ownership, control or management of your firm has occurred, you must complete and submit a "Notice Regarding Change" statement within 30 days of the occurrence of the change.

Your certification does not automatically expire, however; your firm must submit the required documents annually on or before your firm's certification date. Failure to provide the requested documents in a timely manner will result in immediate actions to decertify your firm's eligibility as a Disadvantaged Business Enterprise with the Metropolitan Washington Unified Certification Program.

Any questions or concerns, feel free to contact dbehotline@wmata.com.
